

## Commonly Asked Questions:

**Q:** What is a "Drug Free" jobsite?

**A:** A "Drug Free" jobsite has drug testing requirements written in the specifications which require the contractor to test the workforce on that job.

**Q:** How do I participate in the program?

**A:** You must get an initial program test at:  
\* An Approved Collection Facility  
\* A Local Union Hall Group Testing

**Q:** If I miss a group testing, am I out of the program?

**A:** No, schedule an individual test by contacting your local union's Third Party Administrator.

**Q:** How will I know when my annual test needs to be renewed?

**A:** You will receive a letter from the IMPACT Program Coordinator with specific instructions on how to update your test.

**Q:** How do I schedule an appointment with an approved collection facility for a test?

**A:** Contact your local union's Third Party Administrator for a listing of approved facilities and assistance with scheduling.

**Q:** What happens if I fail a test?

**A:** A non-negative test is reviewed by the MRO. After the result is confirmed, the IMPACT Program Coordinator will contact you with further instructions.
