

CarePoint Health Hospitals Join the Horizon Hospital Network

Beginning **October 1, 2017**, **CarePoint Health Hospitals** – Christ Hospital, Bayonne Medical Center and Hoboken University Medical Center – will be participating in the Horizon Hospital Network. Horizon Blue Cross Blue Shield of New Jersey has reached a new agreement with CarePoint Health Hospitals that will add these hospitals back to the Horizon Hospital Network.

As always, we encourage our members to use network hospitals. Members have a choice of network hospitals throughout New Jersey, and nearby in Pennsylvania and Delaware.

We appreciate the help of participating physicians and other health care professionals in referring Horizon BCBSNJ patients to in-network facilities unless the member has and wishes to use his or her out-of-network benefits, and understands that a greater financial responsibility may be involved.

To locate these and other hospitals in the Horizon Hospital Network, visit HorizonBlue.com/doctorfinder.
