Re: Important Annual Notices / Reminders Regarding Your Welfare Fund Benefits

We are providing you and your family with this Welfare Fund notification to provide you with annual notices as required under the Patient Protection and Affordable Care Act. In addition, this letter contains information about enrollment requirements for adult children.

This notice contains important information concerning your Welfare Fund benefits. Please attach this notice to your Summary Plan Description (SPD). It should be read and retained with your Summary Plan Description for future reference.

IMPORTANT ANNUAL NOTICES / REMINDERS
ANNUAL NOTICE OF WOMEN'S HEALTH AND CANCER RIGHTS ACT (WHCRA)

Your group health plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy (including lymphedema). For more information, call the Fund Office or Horizon at the phone number listed below.

This coverage is subject to any plan copayments, annual deductibles and coinsurance that may be applicable, consistent with those established for other benefits under the plan. These provisions are described in the Plan's Summary Plan Description (SPD).

If you have any questions about whether your plan covers mastectomies or reconstructive surgery, please contact the Fund Office at the above number or you may also call Horizon Blue Cross Blue Shield of NJ at 800-355-2583.

AVAILABILITY OF A HIPAA PRIVACY NOTICE FOR YOUR GROUP HEALTH PLAN

If you would like to see (or obtain a copy of) the plan's HIPAA Notice of Privacy Practices, please write to the Fund Office of the Iron Workers Local 11 Welfare Fund, 12 Edison Place, Springfield, New Jersey, 07081, or you may call the Fund Office at (973) 376-7230. The Notice describes how the plan uses and discloses protected health information. It also discusses important federal rights that you have with respect to your protected health information.

SPECIAL ENROLLMENT

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents' other coverage). However, you must request enrollment within 31 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent because of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption. To request special enrollment or obtain more information, contact the Fund Office at 973-376-7230.

Special Enrollment - Children's Health Insurance Program Reauthorization Act of 2009 (CHIPRA), for Individuals who lose coverage under Medicaid or a State Children's Health Insurance Program (CHIP)

Effective April 1, 2009, if either of the following two events occur, you will have *60 days* from the date of the event to request enrollment in the Fund:

- *Termination of Medicaid CHIP Coverage* – If you or your dependent is covered under a Medicaid plan or under a State children's health insurance program (CHIP) and coverage under such a plan is terminated as a result of a loss of eligibility for such coverage.
- *Eligibility for Premium Assistance under Medicare or CHIP* – If you or your dependent becomes eligible for premium assistance under Medicaid or CHIP, including under any waiver or demonstration project conducted under or in relations to such a plan. In general, this is a program where the state assists employed individuals with premium payment assistance for a group health plan rather than provide direct enrollment in a state Medicaid program.

If enrollment is permitted in accordance with the above, coverage under the Fund will be effective beginning on the first day of the first calendar month following the month in which a completed request for enrollment is received by the Fund Office. To request special enrollment or obtain more information, contact the Fund Office at 973-376-7230.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in states that have added premium assistance, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

This Notice only summarizes certain provisions of the Plan. Please keep it together with your Summary Plan Description (SPD) and refer to them, as necessary. Please refer to the SPD for specific details about the Plan. If you would like to request a copy of the SPD, please contact the Fund Office.
